

Kia ora koutou,

The health and wellbeing of our children, staff and community continues to be a top priority, as does being able to adequate staff as many classes as we can onsite.

Due to the continued demands of the covid response on behalf of our community, we have decided to extend the rostering home of some students next week (week starting Monday 28 Feb). Again, this will allow us to appropriately staff the school.

Please check the plan below carefully to see how this will affect your whānau. All Year 9 students are expected at school every day next week.

Students are asked to remain at home on the following days:

Monday 28 Feb: Year 11

Tuesday 1 Mar: Year 12

Wednesday 2 Mar: Year 13

Thursday 3 Mar: Year 10

Friday 4 Mar: Year 11

Please note that students are not expected to receive work from their teachers on the days that they are home. They are encouraged to revise and do extra reading. Teachers who are still able to come to work will be required to cover classes for other teachers who have had to isolate.

Due to the fluid situation our school is dealing with, the above plan is subject to change based on how things unfold next week. If you have not done so already, ensure you have liked our official school [Facebook page](#) and have followed our official school [Instagram](#) page. We will continue to use email, text, Facebook and Instagram to communicate with you.
